### Product Description

## Greenworks Optimow® 66H Robotic Lawn Mower

1. **Advanced Coverage:** Mow up to  $\frac{2}{3}$  acres on a single battery charge
  2. **Perfect Cuts, Every Time:** Active collision sensors and GPS tracking provide worry-free lawn care.
  3. **Electric Design:** Quiet, clean solution to maintain your lawn with ease.
  4. **Recharge Automatically:** The Optimow® 66H will return to its base when charging is needed.
  5. **Consistent Results:** The perfect combination of battery, motor, and control deliver unmatched performance.
  6. **No System Maintenance or Downtime:** 80% fewer moving parts than gas mowers, eliminating the need for maintenance.
  7. **Mow at Different Heights:** Capable of switching mowing heights from 2.4" - 4.0".
  8. **Long-Lasting Quality:** IPX5 water resistance and collision sensors protect your investment.
