Product Description

Bluebird Land Scape Edger - BB650H

The Bluebird BB650 is the only tool you will need to create beautiful landscapes. The incredibly versatile BB650 creates seamless sculpted edges for beds around the house, pool or trees in a fraction of the time it would take to do by hand. Optional shields and blades allow you to make quick work of tiring tasks such as installing pet fence, plastic edging, landscape lighting, paver bricks and landscape ties. This unit features commercial construction and productivity with user-friendly controls. The BB650 unit is perfect for homeowner's who want the most beautifully landscaped property in the neighborhood and contractors who want to set themselves apart from their competition. The BB650 is ideal for perfectly manicured beds and gardens of golf courses and country clubs.
